RE: PROPOSED RENTAL OF RESIDENTIAL APARTMENT TO CHURCH

The complaint on the above subject matter and the subsequent investigation by Agency officials on **Thursday 15th September, 2016** refers please.

The Agency team in the course of the investigation observed that:

- ❖ You recently let out the ground floor of the above residential building to a church, Lord's Chosen Church.
- ❖ The building equally has **four (4)** residential apartments of **three (3) bedroom** flat each on the first and second floor of the building.

Following the above, a meeting held with you at the Agency on **Friday 16th September, 2016** with the occupants of the house and the representatives of the church resolved that you shall:-

- ❖ Desist from renting the ground floor of the building to a church as activities from the church will affect residents of the same building

Please note that a compliance monitoring team of the Agency shall re-visit the house to ensure compliance to regulatory standards without prior notice.

Please treat as urgent.
